An Grá

Cúpla seanfhocal

Níl aon leigheas ar an ngrá ach pósadh.

There's no cure for love except to marry.

Más maith leat do mholadh, faigh bás, más maith leat do cháineadh, pós!

If you want praise, die. If you want to be criticised, marry!

Pós bean ón sliabh agus pósfaidh tú an sliabh ar fad!

Marry a woman from the mountain and you'll marry the whole mountain!

Ní féasta go rósta, is ní céasta go pósta.

There's no feast without a roast and there's no misery til you marry.
